Hi Eric,

Sorry I was out yesterday. OIT help desk phone number is 413-545-9400. I have dealt with Andrew Vernon 545-0149 in the past.

Sorry it took a day to get it back up, but glad they got there. I may stop by later this morning with Samantha Ripa-Moore from Western Mass Hospital. She is my backup when I am out. I want to give her a little more orientation to the site, as well as do some checking on where the circuit comes in to the new space. It looks like we're getting closer to the upgrade.
